## **REGULATED INDUSTRIES COMMITTEE RULES 2005-2006**

1. The quorum for the Regulated Industries Committee will be six (6) members. A minimum of four (4) affirmative votes is required for a bill to pass Committee and move to the House. No voting shall occur unless a quorum is present.
2. A bill, resolution, or other matter will be considered only after presentation by its principal author or a legislator whom he designates to do so. When a bill or resolution is placed on the committee agenda, the principal sponsor shall be notified of the time and place of the meeting.
3. The committee shall convene, recess, and adjourn upon the order of the Chairman.
4. The Chairman shall establish the agenda and determine the order in which measures are considered.
5. The rules of the House will prevail in all matters not covered by Committee Rules.
6. The Chairman may present to the committee a proposed change in these rules at any time. Any other member proposing a change in these rules shall provide written notice of the proposed change to the Chairman and secretary at least 72 hours before presenting any proposed change to the committee.
7. Measures which affect the revenue of the State must include an estimate in writing of the dollar amount that the measure, if enacted, would increase or decrease the income of the State.
8. The Chairman may appoint subcommittees and officers of subcommittees and in the discretion of the chair refer any matter to a subcommittee; but no measure will be returned to the full House except after consideration by the full committee. Committee officers shall be voting members of any subcommittee.
9. Any member or members of the committee who disagree with the majority report of the committee shall be privileged to file a minority report if desired.
